

Heavy Duty Spring Latch Series 719

Left Hand Shown

WITH HOLDBACK:

WITHOUT HOLDBACK:

The Paneloc heavy-duty 719 Series spring latch is available in a 3/8" pin diameter. This large, rugged latch is available in steel or stainless steel and has a closed knuckle for added durability and strength. It is ideally suited for truck bodies, utility vehicles, horse trailers and more. The offset body design provides more flexibility with placement on tight applications.
