

Hasps and Staples

Steel Hasp

Steel Staple

With their sturdy design and strong steel construction, Paneloc's Hasps and Staples work together to secure gates, doors, lids, hatches and more. They can be purchased with or without holes, in plain steel or stainless steel with corrosion-resistant electropolish. Mounting hardware and padlocks are not included.

STAPLES	LENGTH	WIDTH	HEIGHT	W1	THICKNESS	HOLE
110	1.00	.690	.720	.190	.040	#6 SCREW
115	1.44	1.06	1.06	.250	.060	#8 SCREW
HASPS	L1	L2	W1	W2	PIN DIAMETER	HOLE
135	3.34	1.34	.343	1.50	.187	.075
145	4.34	1.34	.343	1.50	.187	.075
160	6.00	2.75	.343	1.87	.187	.104
